Hampton University Medical Clearance

Your Current Status:

Not Medically Cleared

To gain Medical Clearance please read below.

Deadline for Medical Clearance: May 1, 2025

medicat® Is the official HU Health Center Electronic Health Records Provider.

Requirements for Incoming Students:

New and Transfer Students are required to meet Medical Clearance requirements prior to arriving on campus. Follow the steps below to complete your requirements:

- **Register** at https://hamptonu.medicatconnect.com/ using your Infotech credentials:
  - **HU username** (username is the first section of your HU email address before the @ sign), **HUID#, HU email address, First Name and Last Name only**
- Select **Forms** to download your **Physical Examination Form** and **Immunization Certificate** to take to your healthcare provider for completion.
- Select **Immunizations** and enter your immunization history from your completed immunization vaccination record.
- **Upload** your **Physical Examination Form** and **Immunization Certificate** for Health Center staff to verify your information.
- Select **Insurance** to upload a copy of your current Insurance Card.
- Upon completion of these steps and after review of your information by the Health Center staff, your Medical Clearance status will be indicated in your MediCat patient portal within 72 business hours (excluding Holidays). **A status of Compliant/Verified means Medically Cleared.**

1. Medical Clearance is required to live in the residence halls and attend classes.
2. The **Health Center** makes the final determination for medical clearance.
3. **Obtain Medical Clearance** for a seamless check-in day.
4. The **Medicat** system offers quick processing and **FREE** registration.
