Free summer STEM enrichment program for middle school students

Every student deserves access to a better future. That's why we've launched the Verizon Innovative Learning STEM Achievers program– an engaging, hands-on program developed to enrich learning through design thinking, 3D printing, augmented reality, social entrepreneurship and mentorship. This program creates a more diverse pipeline for future careers in science, technology, engineering and math (STEM) fields; no prior knowledge or experience is required.

🕐 **The program takes place over the course of one 4-week session. June 17, 2024 – July 15, 2024. from 9am-3pm**

📍 **Bemis Laboratories 714 Orchard Road Hampton, VA 23668**
