# Why play a game when you can create it?

## Free summer STEM enrichment program for 6th - 8th graders

Every child deserves a chance to shape the world. But they don't always have the tools to do it.

That's why we've launched the Verizon Innovative Learning STEM Achievers program - an immersive program developed to ignite STEM passions through design thinking, 3D printing, augmented reality and social entrepreneurship.

🕐 **The program takes place over the course of one 4-week session. June 23rd – July 18th (July 3rd and July 4th will be observed holidays)**

📍 **Hampton University**

**For more information, please contact Daya Taylor at daya.taylor@hamptonu.edu**

### Program details

- **The program will take place in person. Registrants will be notified by the Program Director regarding acceptance and details of the program.**
- **Lunch will be provided.**
- **Inclusive of all genders.**
- **Free to all students from local middle schools.**
