Department of Business Administration

The Department of Business Administration offers an integrated five-year undergraduate/graduate program leading to two degrees upon completion: Bachelor of Science in Business Administration (B.S., at the end of 3.5 years) and Master of Business Administration (MBA, at the end of five years). The Department also offers a separate two-year Master of Business Administration (MBA) program for working professionals.

Five-Year Undergraduate and Graduate MBA Program

The five-year MBA program includes 157 academic hours of coursework with an embedded undergraduate degree in Business Administration (Bachelor of Science). Competencies in the five-year MBA are achieved through an interdisciplinary approach. This approach includes liberal education curriculum; broad accounting, technology and engineering-based business background; interpersonal skills; and, structured and varied work experiences through internship.
