STUDENTS MUST FULLY MEET ACADEMIC REQUIREMENTS AS INDICATED IN DEGREE WORKS.

Degree Works serves two purposes:

- (1) To indicate to the student the requirements which have been completed and

Bachelor's degree applicants and department chairpersons will review Degree Works to confirm remaining degree requirements. The student should review Degree Works with his or her advisor and have the departmental chairperson notify the Office of the Registrar, in writing, of any discrepancies.

The **student must ensure** that all work is completed, (i.e. waivers/substitutions, change of grades, and transfer credits, etc.) and that official documentation reaches the Office of the Registrar no later than the last day of classes for graduating seniors. **It is the student's responsibility to check with the major advisor and ensure that the deadlines are met.**

The CRT 000-01 registration is a zero-credit course used to keep a graduating candidate's academic record active at Hampton University. The cost of this registration is \$150.00.

This course is required for all candidates who must complete any coursework that is not inclusive of normal matriculation at Hampton University or candidates who have received permission to complete their final courses at another institution.

CRT registration is required if an application to Take Courses at Another Institution is on file and it must be completed prior to the student taking the course away.

The deadline for the CRT registration is February 27, 2026.
