Ahoy, Free Money!  
Edition

HU Office of Financial Aid & Scholarships

Go Pirates!!

**"Welcome to Your  
Home by the Sea!"**

## What does it mean to use the term “Ahoy”?

According to Merriam-Webster, ‘[ahoy](#)’ is “*used in hailing*”, and ‘[hailing](#)’ is described as “*to greet with enthusiastic approval*”.

In the past, when a pirate out at sea saw another ship or vessel, or land, he may exclaim ‘ahoy’ to alert the rest of his crew of the sighting. Outbursts of joy may follow, since the sighting may mean a treasure of some sort, along with some rest for the weary pirates. After taking time to search for scholarships, it is almost certain that you will spot opportunities for which you are eligible. When this occurs, feel free to exclaim “Ahoy!!”, and proceed with pursuing that fee money (aka treasure)! Arrr!!!

## Can I increase my chances of finding free money?

When pirates know their routes, and especially the routes of treasure-laden vessels, they stand a higher chance of earning more free money. Students who want to find, pursue, and earn scholarships with success must proceed in the same way. For example, you have set up a free membership with FastWeb and, make a mental note to check your e-mail regularly for matches to your member profile. Another example, you find that most scholarship opportunities require an essay, so you work on sharpening your writing skills and asking a trusted person to proofread.

Most external scholarship grantors are looking for the best applications and essays when selecting winners. This may not refer directly to strict adherence to English grammar and writing conventions, as much as to each scholarship’s rules. So, carefully read rules, remain aware, act in strict accordance with the rules, and gain a competitive edge!

## Any Examples?

You may want to read more about [How2winScholarships](#) and [Gen & Kelly Tenabe](#). Both developed their own method of earning scholarships successfully, to a point after which resulted in zero student loan debt for themselves, or for their children! This is not an endorsement of any particular person or method. Please keep in mind, it is not recommended to pay others for scholarship services, especially any with guarantees.

## Can others not on the ship help?

Yes! This is especially important during your first ‘voyage’ applying for scholarships and ‘rough seas’, when you have many demands on your time! Before you submit any final application and essay, ask a trusted person to review them, first! Adding this to your awareness and precision can increase your chances of success (along with applying for many scholarships, while avoiding scams and identity theft)!

# Overview

Included in this database are scholarship announcements from companies, foundations, law firms, and other sources that desire to assist students, including rising freshmen (high school students preparing to graduate), currently enrolled undergraduates and graduates in their efforts toward a higher education.

Scholarships are divided into categories (e.g. [Company](#), [Politics/Law](#), [Volunteerism](#), etc.) and details are included: Title, Amount, Deadline, GPA, Keywords, and URL (link to scholarship page).

**TIP Most scholarships included are categorized under Company and Politics/Law. These tend to have fewer major requirements.**
