

HAMPTON UNIVERSITY OFFICE OF FINANCIAL AID

Summer Aid 2025 Application Guidelines and Instructions

Please be aware that you may not be eligible for Title IV or Federal loan assistance during the summer, if you borrowed the annual maximum amount during the academic year; or if your loan indebtedness has reached its program maximum. Students should review the summer registration bulletin before applying for summer aid. Financial Aid Advisors are available to help determine eligibility.

Application Filing Date: April 15, 2025 through May 16, 2025

Application Procedure: Information from your 2024-2025 Free Application for Federal Student Aid (FAFSA) will be used to determine your aid eligibility for summer 2025. It is important to note here that your FAFSA must already be on file to allow for timely processing and financial clearance, prior to the start of enrollment.

Categories of Ineligible Students: Visiting students from other institutions; students admitted during the summer of 2025; student enrolled for less than half-time; non-degree seeking applicants; students admitted in special summer programs (i.e., Precollege, Summer Bridge, etc.); students who have exceeded the maximum time-frame to receive Federal Aid; students who do not meet the **Financial Aid Satisfactory Academic Progress Policy** (SAP) at the end of the standard academic year (2024-2025); students who have been **Academically Dismissed by the Provost as of Spring 2025 are not eligible for federal student aid for the summer 2025 term, even if readmitted for enrollment for the summer term, by the Provost.**

Ineligible students have the option to apply for a credit-based private education loan with the lender of their choice.

Enrollment Plans: Your expected enrollment for the summer is one of the most important factors in determining your eligibility, especially for loans. Tuition and fees are charged according to the number of credit hours taken; therefore, it is essential that you indicate on the application, the exact number of hours you expect to take for each summer session. At the time of disbursement, students must be enrolled at least half-time, if less, however, the federal student aid will be reduced or cancelled. Private loan lenders vary on their enrollment requirements for disbursement. Also, if you become less than half time after funds have been disbursed, you may be required to repay all or a portion of the aid to cover the balance, and should contact the Office of Student Accounts at 757-727-5661.

Eligibility for Aid: You must be in a degree or an approved certificate program; you must have a cumulative grade point average of 2.0 or better, as defined by the Financial Aid Satisfactory Academic Progress Policy: http://www.hamptonu.edu/studentservices/financialaid/hu_satisfactory_academic_progress_policy.cfm. You must have resolved all outstanding issues pertaining to your Financial Aid Status.

You must be an U.S. citizen or eligible non-citizen; you must not be in default on a federal loan, or owe a refund to the U.S. Department of Education; and, **you must have received aid during the fall 2024 or spring 2025 semester(s)**, and have remaining eligibility. Students who have exhausted eligibility (federal loan/grant) have the option to apply for a “credit- based” Private Education Loan.

Award Notification: If we have your 2024-2025 FAFSA on file, to include your summer school financial aid application, the financial aid office will send an **email notification to your HU email address listed below.** You will need to check your HUNET financial aid account for your award. You reserve the option to accept in whole or in part, or, decline, any aid offered.

Dependent students who have the offer of a credit-based Parent PLUS Loan; the parent must be approved for credit by the Department of Education before you can receive financial clearance by the Office of Student Accounts. Should you have any questions about the status of your application, feel free to contact the Office of Financial Aid at 757.727.5635 or via email www.financialaid@hamptonu.edu (our preferred method of communication).
