The Organization of Graduate Students

The Organization of Graduate Students (OGS) represents all graduate students. This organization promotes academic excellence and communication between faculty, staff and students.

HU by the Numbers

1. The Graduate Program in Speech-Language Pathology at Hampton University has been ranked among the nation's best by U.S. News & World Report.
2. The 2023 edition of The Princeton Review's listing of best colleges again named Hampton University a "Best College."
3. The 2023 edition of the Princeton Review's listing also named Hampton University a "Best Southeastern College" and recognized it as "one of the world's top historically black universities, offering students a progressive education in business, the sciences, and the liberal arts."
4. LinkedIn ranks Hampton University in the nation's Top 10 HBCUs (2025).
5. Hampton University built the first proton therapy cancer treatment center in the Commonwealth of Virginia—an unparalleled hub for cancer treatment, research and technology. The largest in the world.
6. Hampton University is the first and only HBCU to have had 100% control of a NASA mission and HU had four satellites in orbit.
7. Hampton University Alumna, Ruth Carter is the first black woman to win two Oscars for the blockbuster movie *"Black Panther: Wakanda Forever."*
