Hampton University
Medical Clearance

Your Current Status:

Not Medically Cleared
To gain Medical Clearance please read below.

Deadline for
Medical Clearance
Has Passed

medicat Is the official HU Health Center Electronic Health Records Provider **effective June 5, 2024.**

Requirements for Incoming Students:

**Incoming Freshman and Transfers are required to meet Medical Clearance requirements
prior to arriving on campus. Follow the steps below to complete your requirements:**

- **Register** at https://hamptonu.medicatconnect.com/ using your Infotech credentials**:**
  - **HU username, HUID#, HU email address, First Name and Last Name only**
- Select **Forms** to download your **Physical Examination Form** and **Immunization Certificate** to take to your healthcare provider for completion.
- Select **Immunizations** and enter your immunization history from your completed immunization vaccination record.
- **Upload** your **Physical Examination Form** and **Immunization Certificate** for Health Center staff to verify your information.
- Select **Insurance** to upload a copy of your current Insurance Card.
- Upon completion of these steps and after review of your information by the Health Center staff, your Medical Clearance status will be indicated in your MediCat patient portal within 72 business hours (excluding Holidays). **A status of Compliant/Verified means Medically Cleared.**

(1) Medical Clearance is <u>required</u>
to live in the residence halls and attend classes.

**MediCat
Patient Portal
Registration:**
