Hampton University International Office

Social Security Number Application

Anyone who plans to work (on- or off-campus) will need a Social Security Number (SSN) for payment and tax purposes. Social Security Numbers are only granted to those with valid work authorization.

Applying for a Social Security Number for F-1 Students:

- You must wait at least **2-3 days** after your check-in at the International Office to apply for a SSN number; this will allow your SEVIS record to be updated.
- You must submit as part of your SSN application:
 1. A **Job Offer Letter from your Department or On-Campus Company** in order for you to apply for a number (see template attached);
 2. A **Letter from your DSO at the HU International Office**;
 3. A completed **Application for a Social Security Card (SS-5)** (see attached);
 4. Your **Passport, current I-20, F-1 Visa, I-94 record, and your last Admission Stamp**.
- There is no fee to apply for the social security number.
- It usually takes about 2-3 weeks for your card to arrive in the mail. Please visit the International Office if the process takes longer than 3 weeks. The SSN Administration does not require you to have your SSN before you start work. However, the IRS requires employers to report wages using a SSN. While you wait for your SSN, your employer can use a letter from the SSN Administration stating that you applied for a number.
- The Social Security Application Form must be submitted in person at the Social Security Office. There is a social security office about ten minutes from campus, at 1521 Hardy Cash Drive, Hampton, VA 23666. The second closest office is in Newport News at 11706 Jefferson Ave, Newport News, VA 23606.
- All documents must be originals. No copies are accepted.
- Once you receive your Social Security Card, keep it in a safe place. The number will be valid for the rest of your life, but it can be very difficult to retrieve it if you lose your card.

International Students and Social Security Numbers

Are you temporarily in the United States to attend a college, language, vocational, or nonacademic school with a nonimmigrant **F-1**, **M-1**, or **J-1** student classification? Your school may ask you for your Social Security number. Some colleges and schools use Social Security numbers as student identification numbers. If you don't have a Social Security number, the college or school should be able to give you another identification number

Social Security numbers generally are assigned to people who are authorized to work in the United States. Social Security numbers are used to report your wages to the government and to determine eligibility for Social Security benefits. Social Security will not assign a number to you just to enroll in a college or school.

If you want to get a job on campus, you should contact your designated school official for international students. This official can tell you if you're eligible to work on campus and can give you information about available jobs. Also, your school may approve certain limited off-campus employment, as permitted under Department of Homeland Security (DHS) regulations. **If your school has authorized you to work either on or off campus, and you meet Social Security's eligibility requirements described in the next section, you can get a Social Security number.**

In general, only noncitizens who have DHS' permission to work can apply for a Social Security number. We suggest you wait 48 hours after reporting to your school before you apply for a Social Security number. This waiting will help ensure we can verify your immigration status with the DHS.

To apply for a Social Security number at your local Social Security office

- Complete an Application for a Social Security card (SS-5); and
- Show us documents proving your:

- Work-authorized immigration status;
- Age; and
- Identity.

Immigration status

To prove your immigration status, you must show us a current admission stamp in your unexpired foreign passport and *Arrival/Departure Record* (Form I-94), if available. If you're an F-1 or M-1 student, you must also show us your *Certificate of Eligibility for Nonimmigrant Student Status* (Form I-20). If you're a J-1 exchange visitor, you must show us your *Certificate of Eligibility for Exchange Visitor Status* (Form DS-2019).

Work eligibility

If you're an F-1 student and eligible to work on campus, you must provide a letter from your designated school official that

- Identifies you
- Confirms your current school status; and
- Identifies your employer and the type of work you are, or will be, doing.

We also need to see evidence of that employment, such as a recent pay slip or a letter from your employer. Your supervisor must sign and date the employment letter. This letter must describe:

- Your job;
- Your employment start date;
- The number of hours you are, or will be, working; and
- Your supervisor's name and telephone number.

If you're an F-1 student authorized to work in curricular practical training (CPT), you must provide us your Form I-20 with the employment page completed and signed by your school's designated official

If you're an F-1 or M-1 student and have a work permit (Form I-766) from the DHS, you must present it.

If you're a J-1 student, student intern, or international visitor, you must provide a letter from your sponsor. The letter should be on sponsor letterhead with an original signature that authorizes your employment.

We cannot process your application if:

- Your on-campus or CPT work begins more than 30 days from your application date; or
- The employment start date on your work permit from the DHS (Form I-766) is a future date.

Age

You must present your foreign birth certificate if you have it or can get it within 10 business days. If you can't present your foreign birth certificate we can consider other documents, such as your passport or a document issued by the DHS, as evidence of your age.

Identity

We can only accept certain documents as proof of identity. An acceptable document must be current (not expired) and show your name, identifying information, and preferably, a recent photograph. Social Security will ask to see your current unexpired foreign passport with DHS issued immigration documents.

All documents must be either originals or copies certified by the issuing agency. We cannot accept photocopies or notarized copies of documents. We also cannot accept a receipt showing you applied for the document. We may use one document for two purposes. For example, we may use your admission stamp in the unexpired foreign passport as proof of both work eligibility and identity.

We don't require you to have a Social Security number before you start work. However, the Internal Revenue Service (IRS) requires employers to report wages using a Social

Security number. While you wait for your Social Security number, your employer can use a letter from us stating that you applied for a number. Your employer may use your immigration documents as proof of your authorization to work in the United States. Employers can find more information on the Internet at www.socialsecurity.gov/employer/hiring.htm.

- Change or correct information on your Social Security number record

IMPORTANT: You MUST provide a properly completed application and the required evidence before we can process your application. We can only accept original documents or documents certified by the custodian of the original record. For assistance call us at 1-800-772-1213 or visit our website at www.socialsecurity.gov.

Original Social Security Card

To apply for an original card, you must provide at least two documents to prove age, identity, and U.S. citizenship or current lawful, work-authorized immigration status. If you are not a U.S. citizen and do not have DHS work authorization, you must prove that you have a valid non-work reason for requesting a card. See page 2 for an explanation of acceptable documents.

NOTE: If you are age 12 or older and have never received a Social Security number, you must apply in person.

Replacement Social Security Card

To apply for a replacement card, you must provide one document to prove your identity. If you were born outside the U.S., you must also provide documents to prove your U.S. citizenship or current, lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

Changing Information on Your Social Security Record

To change the information on your Social Security number record (i.e., a name or citizenship change, or corrected date of birth) you must provide documents to prove your identity, support the requested change, and establish the reason for the change. For example, you may provide a birth certificate to show your correct date of birth. A document supporting a name change must be recent and identify you by both your old and new names. If the name change event occurred over two years ago or if the name change document does not have enough information to prove your identity, you must also provide documents to prove your identity in your prior name and/or in some cases your new legal name. If you were born outside the U.S. you must provide a document to prove your U.S. citizenship or current lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

LIMITS ON REPLACEMENT SOCIAL SECURITY CARDS

Public Law 108-458 limits the number of replacement Social Security cards you may receive to 3 per calendar year and 10 in a lifetime. Cards issued to reflect changes to your legal name or changes to a work authorization legend do not count toward these limits. We may also grant exceptions to these limits if you provide evidence from an official source to establish that a Social Security card is required.

IF YOU HAVE ANY QUESTIONS

If you have any questions about this form or about the evidence documents you must provide, please visit our website at www.socialsecurity.gov for additional information as well as locations of our offices and Social Security Card Centers. You may also call Social Security at 1-800-772-1213. You can also find your nearest office or Card Center in your local phone book.

For young children, we may accept medical records (clinic, doctor, or hospital) maintained by the medical provider. We may also accept a final adoption decree, or a school identity card, or other school record maintained by the school.

If you are not a U.S. citizen, we must see your current U.S. immigration document(s) and your foreign passport with biographical information or photograph.

WE CANNOT ACCEPT A BIRTH CERTIFICATE, HOSPITAL SOUVENIR BIRTH CERTIFICATE, SOCIAL SECURITY CARD STUB OR A SOCIAL SECURITY RECORD as evidence of identity.

PROTECT YOUR SOCIAL SECURITY NUMBER AND CARD

Protect your SSN card and number from loss and identity theft. DO NOT carry your SSN card with you. Keep it in a secure location and only take it with you when you must show the card; e.g., to obtain a new job, open a new bank account, or to obtain benefits from certain U.S. agencies. Use caution in giving out your Social Security number to others, particularly during phone, mail, email and Internet requests you did not initiate.

PRIVACY ACT STATEMENT

Collection and Use of Personal Information

Sections 205(c) and 702 of the Social Security Act, as amended, authorize us to collect this information. The information you provide will be used to assign you a Social Security number and issue a Social Security card.

The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent us from issuing you a Social Security number and card.

We rarely use the information you supply for any purpose other than for issuing a Social Security number and card. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and
4. To facilitate statistical research, audit or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Complete lists of routine uses for this information are available in System of Records Notice 60-0058 (Master Files of Social Security Number (SSN) Holders and SSN Applications). The Notice, additional information regarding this form, and information regarding our systems and programs, are available on-line at www.socialsecurity.gov or at any local Social Security office.

This information collection meets the requirements of 44 U.S.C. §3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 8.5 to 9.5 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate to: SSA, 6401 Security Blvd., Baltimore, MD 21235-6401. **Send only comments relating to our time estimate to this address, not the completed form.**
