

Dear Hampton University Student,

It is the University's policy that all students have health insurance. The University automatically enrolls all students in the Student Health Insurance Plan (SHIP) until proof of comparable coverage is received. **If your current health insurance plan is comparable, you are not required to purchase the SHIP; however, you must complete the online waiver.** The spring semester cost of the 2026 SHIP is \$671 for undergraduate, graduate, and international students. This SHIP is meant to be an affordable, local option for students and their families to consider. The spring/summer coverage begins 01/01/2026 and will end 08/01/2026.

- *For a complete description of the benefits available to you through this plan, please go to www.gallagherstudent.com/Hamptonu.*
