### Scheduling Guide Information

The Fall 2023 Scheduling Guides will be available on the web at <https://home.hamptonu.edu/registrar/registration/> or by going to <http://www.hamptonu.edu> and clicking on Current Students, select Course Catalog & Schedule and then select Registration Information. Scheduling Guides **will not** be mailed.

### Concurrent Pre-requisites

Please note, if you sign up for a concurrent class that has a prerequisite that you are currently taking and you do not pass it with the required grade then the computer system will automatically drop the class.

### HUNet Passwords

Please make sure you keep up with your HUNet password. This is the same password you will use throughout your matriculation. The Registrar's Office cannot give you this number over the phone.

**Advisement PINS** are given by the major department that is declared in the system. If this is incorrect, fill out a Change of Major form and bring an advisor signed Course Registration Form to the Registrar's Office. The Registrar's Office cannot give you your advisement PIN without proof of being advised.

### Holds

Please check local off-campus address and emergency contact information on HUNet and make any corrections before pre-registration begins. Students with a health hold, local or permanent address hold, emergency contact hold, and traffic violation will not be allowed to pre-register until the holds have been removed.
