

Department of Chemistry & Biochemistry Doctoral Track Record

Hampton University Chemistry & Biochemistry graduates who are currently pursuing doctoral degrees (PhD, MD, DDS)

Name of student and Ph.D. area	Ph.D. Institution.	degree in progress since
Alexandra Jefferson, MD	VCU	2024
Dylan Hayes, Ph.D. Biochemistry	University California, Davis	2024
Micaela Maxwell, Ph.D., Biochemistry	Vanderbilt University	2024
Kamiel Beckley, Ph. D., Biochemistry	University of Pennsylvania	2023
Imani Porter, Ph. D., Mole Bio/Biochem	Stanford University	2023
Schylar Turner, MD	SUNY	2023
Jasmine Maddy, Ph.D., Biochemistry	Creighton University	2022
Seonna Bristol, Pharm D.	Mercer University	2021
Maurice Johnson, MD	EVMS	2021
Sierra Williams-McLeod, Ph.D.	Vanderbilt University	2021
Jessica C. Fletcher, Ph.D. Chemistry	Ohio State University	2021
Isaac Mukooza. Ph.D., Chemistry	Virginia Commonwealth University	2021
Ashanti Sallee, Ph.D., Nanomaterials	Rice University	2020
Stephanie Chigbu, MD	Howard University	2021
Robert Gresham, Ph.D., Pharmacy	UNC Chapel Hill	2020
Kyndall Nickolas, Ph.D., Neuroscience	University of Pennsylvania	2020

Hampton University Chemistry & Biochemistry graduates who received doctoral degrees (PhD, MD, DDS) in recent years

Name of student and Ph.D. area	Ph.D. Institution awarding Ph.D.	Year degree awarded
Ashleigh Rawls, Pharmacology	Duke University	2024
Lauren Alexander, Forensic chemistry	University of West Virginia	2023
Jason Davidson, Chemical Biology	UC San Francisco	2023
Janay Little, Biochemistry/ Mol. Biology	VCU	2023
Kennedy Goldsboro, Biochemistry	VCU	2023
Adrianna Shy, Chemistry	Brandeis University	2023
Latia Tucker, Ph.D., Pharmacology	University of Cincinnati	2023
Breonna Loftin, Chemistry	Vanderbilt University	2021
Courtney Edwards, Cancer Biology	Vanderbilt University	2022
Ashley Peralta, Chemistry	Virginia Tech	2020
Leopold Green, Biomedical engineering	University of California, Riverside	2016
Kaiulani Huston, Biochemistry	UNC Chapel Hill	2014
Weslee Glenn, Organic Chemistry	MIT	2013
Walter Martin, (DDS)	University of Maryland	2013

Hampton University Chemistry & Biochemistry graduates who received doctoral degrees (PhD, MD, DDS) in recent years

Name of student and Ph.D. area	Ph.D. Institution awarding Ph.D.	Year degree awarded
Tiffany Hailstorks, (MD)	Meharry Medical School	2012
Kia Walcott, Toxicology	Duke University	2011
Kristin Finch, Chemical Biology	University Illinois-Urbana	2011
Evora Newby, (MD)	Medical College of Virginia	2010
Chenere Ramsey, Neuroscience	University of Pennsylvania	2010
Jason Neal, Neuroscience	Harvard University,	2009
Shanina Sanders Organic Chemistry	UNC Chapel Hill	2009
Jessica Marshall , Dental Science	UNC Chapel Hill	2009
Mohabe Vinson (MD)	University of Cincinnati	2009
Jamila Green, Physical Chemistry	Purdue University	2008
Tamara Jackson, Toxicology	Emory University	2008
Nicole Buie, Inorganic	Howard University	2007
Aliya Courtney, (MD/Ph.D.) Pharmacology	Johns Hopkins University	2007
Kelly Kitchen, Pharmaceutical Chemistry	University of Maryland, Baltimore	2007
Tiffany Bailey, Physical Chemistry	N.C. State University	2006
Michael Duncan, Pharmaceutical Chemistry	UNC Chapel Hill	2006
Megan Jackson, (MD)	UNC Chapel Hill	2006
Gina Newsome, (MD)	UNC Chapel Hill	2006
Deenah Lee, Pharmacology	Temple University	2006
Michelle Waddell, Organic	Purdue University	2006
Brandy Young, Analytical	Purdue University	2006
Malaika Durham, Analytical	Purdue University	2005
Vanessa Walker, (MD)	Johns Hopkins University	2005
Patrick Hines, (MD/Ph.D.)	UNC Chapel Hill	2004
Michael Burkes, Polymer	University of Akron	2003
Stephanie Sharps, (MD)	Duke University	2002
John Mabry, Analytical	University of New Hampshire	2002
Michaux Kilpatrick	UNC Chapel Hill	2001
Latanya Kilpatrick	Princeton University	1992
