SUMMER PROGRAM

ENCOURAGING FEEDBACK

My son had an awesome experience and he stated he was glad that he had the opportunity to participate, learn a lot, and meet some amazing young people. He can't stop talking about it. Great job.

My grandson really did not want to attend. (I made him). Once he got there, he couldn't stop talking about the program. He loved it. I feel that this was a great experience for the students. Let us not leave out Mr. Morrison. He kept me up on everything that was going on in the program. He did a Fantastic Job. You would not have known that it was his first year with the program if we were not told. GREAT JOB MR. ANDREW MORRISON!!! HOPE TO SEE YOU NEXT YEAR. Brenda Merritt.

The staff were helpful and the students experienced Hampton in a way I hope encourages them to apply in the future.

Hello Ms. Banks,
I just wanted to say I really enjoyed my experience in YDP's drama enrichment activity playing Jian and, by extension, thank you for being such a significant part of that experience. I really appreciate all the time and effort you put into us.
Sincerely,
Kira

KUDOS to you Mr. Morrison! For this being your first time organizing the program you did an excellent job.

I thought the program was well run and a good exposure experience for young people.
