Convocation Speaker

Mrs. Monique Rodriguez

Founder & CEO of Mielle Organics

Monique Rodriguez is the Founder & CEO of Mielle Organics, one of the fastest-growing hair care brands in the textured hair category. Previously a registered nurse, Monique's career path shifted after the tragic loss of her third child following a high-risk pregnancy. After this devastating event, Monique needed a creative outlet to help process her grief and turned to her original passion – haircare. She took to social media to share her journey of creating a healthy haircare regimen for textured hair, thus building a tight-knit online community of loyal and engaged women.

Her deeply personal documentation resonated with her followers, who would tune in daily for her hair care tips, as well as morning prayer moments. Monique's community kept requesting her homemade mixtures, and their demand to buy her hair care solutions served as the catalyst for her to launch Mielle Organics with her husband, Melvin. They launched in 2014 with one product, the Almond Mint Oil, and immediately sold out of their entire inventory on the day of launch.

In addition to breaking glass ceilings and barriers for female and Black founders, notably securing the largest exit ever for a Black Female beauty founder, she is also a wife, mother of two girls, and a devout Christian. She has dedicated her life to uplifting God's Kingdom and moving in His purpose. Monique continues to be a vessel and extol His mercy, goodness, and love.

Monique is committed to inspiring women around the world through her beauty solutions and business savvy. In 2023, she established Mielle Cares, the non-profit arm of Mielle Organics, which champions the mental health and well-being of preteens and teenagers in underserved communities. She has been widely recognized in media publications, was featured on the cover of *Essence* alongside her husband Melvin, and has appeared in outlets and on television shows such as *Forbes.com*, *CNBC.com*, *CBS*, *Tamron Hall Show*, and *The Steve Harvey Show*. Her journey serves as an inspiration to countless individuals, demonstrating the power of passion, perseverance, and community.

***The Edward L. Hamm, Sr.
Distinguished Teaching Award
2023 - 2024***

Endowed in 1994 by former Hampton University Trustee Edward L. Hamm, Jr., in honor of his father, the Edward L. Hamm, Sr., Distinguished Teaching Award recognizes annually one or two members of the Hampton University faculty who have been nominated by their peers and/or students and selected by the President for this prestigious honor. Although the University has many meritorious faculty members, there are those who consistently attain the lofty height of teaching excellence by extending their instruction beyond the classroom into the actualities of their students' worlds and by inspiring in their students a zest for learning and a commitment to excellence. Indeed, the recipient of this award exemplifies this achievement.

Dr. Juritsa Ford
*Assistant Professor
James T. George School of Business*

Dr. Juritsa Ford earned a Bachelor of Arts in Sociology from Hampton University, in 1979, a Master of Organizational Management, and a Ph.D. in Business Administration from the University of Phoenix. She furthered her studies in Human Resource Development at George Washington University.

In 2019, Dr. Ford returned to your Home by The Sea as an Assistant Professor in the Department of Management, James T. George School of Business. With over 18 years of experience in education, she teaches undergraduate and graduate courses, chairs the Doctoral Dissertation Committee, and serves on various university committees. In 2023, she received the Provost and Chancellor's Technology and Innovation Teaching Award. In 2024, she was nominated for a \$100 million grant at Harvard Business School.

Dr. Ford has extensive corporate experience with General Motors, Philip Morris USA, and Altria Group, Inc., where she held progressive roles and received numerous recognitions. She was a core team member for the \$375 million Research Technology Center project at Philip Morris USA.

Dr. Ford advises the Hampton Chapter Society for Advancement of Management (SAM Club) and mentors student teams in business case competitions. She is a published author and keynote speaker, passionate about preparing students for global competitiveness, technology, diversity, and inclusion. She has integrated AI into higher education, ensuring Hampton University's graduates are AI-experienced and workforce-ready.

Dr. Ford is a member of Delta Sigma Theta Sorority, Incorporated, Richmond Alumnae Chapter, Richmond, Virginia.

Hampton: A Song of Service, Love and Loyalty

O Hampton, a thought sent from heaven above,
To be a great soul's inspiration;
We sing thee the earnest of broad human love,
The shrine of our heart's adoration.
Thy foundation firm and thy roof tree outspread,
And thy sacred altar fires burning;
The sea circling 'round thee, soft skies overhead,
Dear Hampton, the goal of our yearning!

Refrain

O Hampton, we never can make thee a song,
Except as our lives do the singing;
In service that will thy great spirit prolong,
And send it through centuries ringing!

Kind mother, we'll treasure the dear happy days,
We've spent here in life's preparation;
Yet go with brave hearts upon our chosen ways,
Of service to God and our nation;
Still wearing our colors, the blue and the white,

As pledge that our fond hearts will cherish;
A love which for thee ever shines true and bright,
A loyalty that ne'er can perish!
