
The Eighty-Second
ANNUAL FALL CONVOCATION
of
HAMPTON UNIVERSITY

CONVOCATION CENTER

Sunday Morning, September 28, 2025
at Ten Forty-Five

Convocation Speaker

THE HONORABLE ABIGAIL SPANBERGER

The Honorable Abigail Spanberger is the Democratic nominee to serve as the next Governor of Virginia. She represented Virginia's Seventh Congressional District in the U.S. House for three terms, ending her service in January 2025.

Mrs. Spanberger began her career of public service as a federal law enforcement officer — working money laundering and narcotics cases.

She then joined the CIA, where she worked undercover her entire time at the Agency as a case officer. Both at home and abroad, Mrs. Spanberger collected intelligence, managed assets, and oversaw high-profile programs to combat terrorism.

In 2018, Mrs. Spanberger became the first Democrat since 1968 — and the first woman ever — to be elected to serve the Seventh District in Congress. She served on the House Intelligence Committee and the House Agriculture Committee.

In Congress, Mrs. Spanberger was ranked as the most bipartisan Member of Congress from Virginia. She led bipartisan efforts that were signed into law to prevent fentanyl overdoses, protect Virginia's natural resources, and support Virginia's Veterans. In 2022, the Washington Post editorial board said that Abigail "sponsored no-nonsense bipartisan legislation" and called her "ever independent-minded" — working to "increase federal funding for local police agencies to hire and train more officers and to empower Medicare to negotiate lower prices for prescription drugs." The Center for Effective Lawmaking ranked her as the most effective Member of Congress — in either chamber — on agriculture issues.

Mrs. Spanberger grew up in Henrico County, Virginia. She attended J.R. Tucker High School and is a graduate of the University of Virginia. She and her husband Adam are the proud parents of three school-aged daughters.

ORDER OF SERVICE

Dr. Karen Turner Ward
*Old Dominion Endowed Chair of
Fine and Performing Arts and Professor
Chair, Committee on Ceremonial Occasions
Presiding*

OUTDOOR PROCESSIONAL “The Crowning Glory” - <i>Alfred Reed</i>	University Symphonic Band Dr. Thomas Jones <i>Director of Bands</i>
INDOOR PROCESSIONAL “Trumpet Voluntary”- <i>Jeremiah Clarke</i>	Mr. Benjamin Garner <i>University Organist</i>
INVOCATION	Rev. Dr. Debra L. Haggins <i>University Chaplain</i>
“Hallelujah, from Christ on the Mount of Olives” - <i>Ludwig van Beethoven</i>	University Symphonic Choir Mr. Omar J. Dickenson <i>Director of Choral Activities</i>
OPENING REMARKS	Lt. Gen. Darrell K. Williams, US Army Ret. <i>President, Hampton University</i>
GREETINGS	Ms. Brooklynn Miller <i>President, Senior Class</i>
POEM	Ms. Nina Washington <i>Student Poet, Strategic Communications Major</i>
PRESENTATION OF 2025 EDWARD L. HAMM, SR. DISTINGUISHED TEACHING AWARDS	Dr. Betty H. Stewart <i>Executive Vice President and Provost</i>
Dr. Brian Aufderheide <i>Associate Professor Department of Chemical Engineering</i>	
Dr. Chutima Boonthum-Denecke <i>Endowed Professor Department of Computer Science</i>	
“I Want Jesus to Walk with Me ” - <i>Arranged by Moses Hogan</i>	University Symphonic Choir
INTRODUCTION OF CONVOCATION SPEAKER	Ms. Naaja Flowers <i>President, Student Government Association</i>
CONVOCATION ADDRESS	The Honorable Abigail Spanberger
ALMA MATER	University Choir and Assembly
BENEDICTION	University Chaplain
RECESSIONAL “Trumpet Tune in C Major” - <i>Mr. Henry Purcell</i>	University Organist

*The audience is requested to stand during
Processional and Recessional*

***The Edward L. Hamm, Sr.
Distinguished Teaching Award
2024 - 2025***

Endowed in 1994 by former Hampton University Trustee Edward L. Hamm, Jr., in honor of his father, the Edward L. Hamm, Sr., Distinguished Teaching Award recognizes annually one or two members of the Hampton University faculty who have been nominated by their peers and/or students and selected by the President for this prestigious honor. Although the University has many meritorious faculty members, there are those who consistently attain the lofty height of teaching excellence by extending their instruction beyond the classroom into the actualities of their students' worlds and by inspiring in their students a zest for learning and a commitment to excellence. Indeed, the recipient of this award exemplifies this achievement.

Dr. Brian Aufderheide
*Associate Professor
Department of Chemical Engineering*

Dr. Brian Aufderheide is an Associate Professor of Chemical Engineering at Hampton University, where he is entering his ninth year. He has twice served as Chair of the Chemical Engineering Department.

With over 19 years in education, Dr. Aufderheide has developed more than 25 new courses. He has written 43 refereed publications, including ten peer-reviewed articles on education. He has also supervised over 35 industrial design projects and co-supervised six Hampton engineering design teams, which earned two first-place and two second-place finishes in Advancing Minority's Interests in Engineering competitions.

Dr. Aufderheide holds a B.S. from Lehigh University, an M.S. from Louisiana State University, and a Ph.D. from Rensselaer Polytechnic Institute, all in Chemical Engineering. His expertise lies in the advanced control, design, and modeling of biomedical, chemical, and biological processes. He has consulted for medical device and biotechnology companies and served as the sole engineer and QC supervisor for a 40-million lb/yr custom extrusion company.

A returned Peace Corps Volunteer, Dr. Aufderheide's passion for mentoring future engineers is evident in his co-development of an ethics project that brings together African American high school students, University of Virginia graduate students, and Hampton students. The project has resulted in 17 student presentations and refereed papers for an IEEE conference. His goal is to "help change the world one engineer at a time."

Dr. Chutima Boonthum-Denecke
*Endowed Professor
Department of Computer Science*

Dr. Chutima Boonthum-Denecke is a distinguished professor and leader in the field of computer science and cybersecurity. She holds the position of Endowed Professor in the Department of Computer Science at Hampton University's School of Science, where she also serves as the director of the Information Assurance and Cyber Security Center (IAC@HU, designated by the National Security Agency and Department of Homeland Security) and oversees the CyberCorps Scholarship for Service (SFS) program.

Dr. Boonthum-Denecke's research interests encompass a wide range of areas, including natural language processing, computational linguistics, intelligent tutoring systems, information retrieval, cognitive robotics, and the integration of artificial intelligence (AI) into cybersecurity. Her current research focuses on applying artificial intelligence to cybersecurity applications. Additionally, she teaches Swift App Development for both computer science majors and non-majors as part of Apple Community Education Initiative (CEI) and integrates artificial intelligence and machine learning into the current curriculum offering in the Department of Computer Science.

Dr. Boonthum-Denecke holds a Ph.D. in Computer Science from Old Dominion University in 2007, an M.S. in Applied Computer Science from Illinois State University in 2000, and a B.S. in Computer Science from Srinakharinwirot University in 1997. She also serves as a faculty advisor for both the Association for Computing Machinery (ACM) Student Chapter and the Cyber Security Club at Hampton University. Dr. Boonthum-Denecke is an active member of several professional organizations, including the Association for Computing Machinery (ACM), the Institute of Electrical and Electronics Engineers (IEEE) Computer Society, the Association for the Advancement of Artificial Intelligence (AAAI), the International Educational Data Mining (EDM) Society, the Florida Artificial Intelligence Research Society (FLAIRS), and Women in Cybersecurity (WiCyS).

Hampton: A Song of Service, Love and Loyalty

O Hampton, a thought sent from heaven above,
To be a great soul's inspiration;
We sing thee the earnest of broad human love,
The shrine of our heart's adoration.
Thy foundation firm and thy roof tree outspread,
And thy sacred altar fires burning;
The sea circling 'round thee, soft skies overhead,
Dear Hampton, the goal of our yearning!

Refrain

O Hampton, we never can make thee a song,
Except as our lives do the singing;
In service that will thy great spirit prolong,
And send it through centuries ringing!

Kind mother, we'll treasure the dear happy days,
We've spent here in life's preparation;
Yet go with brave hearts upon our chosen ways,
Of service to God and our nation;
Still wearing our colors, the blue and the white,

As pledge that our fond hearts will cherish;
A love which for thee ever shines true and bright,
A loyalty that ne'er can perish!

Words by | Sarah Collins Fernandis | 1882
Music by | Chauncey Northern | 1924
