IMPORTANT INFORMATION FOR UNDERGRADUATE CANDIDATES

Note: The appearance of a name on any list in the Commencement program must not be considered as conclusive evidence of graduation. Persons who have met all requirements for a particular degree and whose name appears on the list in the program will receive the degree indicated.

STUDENTS MUST FULLY MEET ACADEMIC REQUIREMENTS AS INDICATED IN THE APPROPRIATE CATALOG AND SUPPLEMENTS.

The audit serves two purposes:

- (1) To indicate to the student the requirements which have been completed and
- (2) To show remaining requirements in the degree curriculum.

Bachelor's degree applicants and department chairpersons will review a graduation audit to confirm remaining degree requirements. The student should review the audit with his or her advisor and have the departmental chairperson notify the Office of the Registrar, in writing, of any discrepancies.

The **student must ensure** that all work is completed, (i.e. waivers/substitutions, change of grades, and transfer credits, etc.) and that official documentation reaches the Office of the Registrar. The Deans and Chairs have a schedule issued from the Office of the Registrar that lists the deadlines for this information. **It is the student's responsibility to check with the major advisor and ensure that the deadlines are met.**

READMISSION REQUIREMENTS

Former students in good standing who have been away from the University for one semester or more (excluding the summer) must reapply for admission by contacting the Director of Admissions. These students must meet the requirements of the current catalog. After being readmitted, the student must contact the Office of the Registrar for additional information.

CRT REGISTRATION

All students who have an updated application on file for graduation must be enrolled the semester they anticipate graduation. The CRT 000-01 registration is a zero-credit course used to keep a graduating candidate's academic record active at Hampton University. The cost of this registration is \$150.00.

This course is required for all candidates who must complete any coursework that is not inclusive of normal matriculation at Hampton University or candidates who have received permission to complete their final courses at another institution.

CRT registration is required if an Application to Take Courses at Another Institution is on file and it must be completed prior to the student taking the course away.

The deadline for the CRT registration is March 15, 2025.

COMPLETING DEGREE REQUIREMENTS AT ANOTHER INSTITUTION

Each catalog states that the final 30 semester hours must be completed at Hampton University. If a student has received permission from his or her department to complete the final course credits at another institution, the following criteria must be met:

1. The student must file an updated application for graduation in accordance with departmental deadlines.
2. An Application To Take Courses At Another Institution must be approved by the department chairperson and school dean. Requests must be received in the Office of the Registrar prior to the student taking the courses away. The deadline for transfer credits is **April 26, 2025.**
3. The student must complete the CRT registration process at the Office of the Registrar in accordance with the registration deadlines. **The deadline for CRT registration is March 15, 2025.**

The student must receive a minimum grade of “C-” in order for Hampton to accept and record the credit hours. All major courses must be completed with a grade of “C” or higher. Hampton University does not record grades and quality points from another institution. Only the equivalent credit hours are accepted.

CONSORTIUM REGISTRATION

A student who registers for courses at Tidewater Consortium Schools must be a continuing student with a cumulative GPA of 2.00 or higher. The student must be registered as a full-time student at Hampton University **and meet all course prerequisites.**

After obtaining the signatures of the major advisor, chair, Dean and the Registrar at Hampton University, the student must take the form to the other institution to complete the registration process. The consortium registration form must clearly indicate the host school course numbers and the appropriate Hampton University equivalent course numbers.

REQUEST FOR A NAME CHANGE

All requests to change a name on official records at Hampton University must be accompanied by one of the following notarized documents:

- Copy of court order
- Copy of marriage certificate
- Statement from legal officer certifying name change

The request, which can be made by letter or by completing a Change-of-Name form, should be mailed to: **Office of the Registrar, Hampton University Hampton, Virginia 23668**. To ensure accurate and complete student records, a student should continue to register under his/her name of record until the appropriate documentation has been received and the request has been processed.

TRANSCRIPTS

Graduates are issued one unofficial transcript free of charge. The transcript will be mailed approximately four weeks after the May Commencement Ceremony. The fee for additional transcripts is \$10.00 and can be requested online. Personal checks are not accepted. Instructions for requesting transcripts are listed below.

1. You can order your transcripts online by going to www.getmytranscript.com and click on Hampton University.
2. Follow online instructions.
3. If you are unable to request online, you may send a letter which should include: Your full name, maiden name, if married, or any other name, your social security number or student ID number, dates of attendance, graduation date, return address, and daytime telephone number, also include the address and name of the person who should receive the transcript. Do not forget to sign and date your request. A money order or cashier's check must accompany your written request and must be made payable to Hampton University. Personal checks will not be accepted and will be returned. (Reminder: The fastest process is using the online request system)
4. Transcripts are \$ 10.00 per copy. FED-EX in the US is an additional cost of \$15.25. FED-EX will not deliver to post office boxes.

The processing of transcripts may take longer than expected at the beginning or end of a term. Planning ahead allows sufficient time for a transcript to be processed and received at the requested destination.

Requests for transcripts and diplomas will be held until all debts owed the University are satisfied.

WHEELCHAIRS

The University does not provide wheelchairs. Anyone desiring the use of a wheelchair may contact one of the local pharmacies.

SENIOR SURVEY

All graduating seniors are asked to take the Senior Survey. If you have questions, feel free to contact Mrs. Bessie Willis of the Career Counseling and Planning Center at 757-727-5331. Surveys will be administered in a classroom setting.
