

FOR IMMEDIATE RELEASE

Hampton University partners with The Wall Street Journal

Hampton University and The Wall Street Journal have partnered to provide school-sponsored WSJ memberships to all students, faculty and staff. Through the partnership, members will have full digital access to the WSJ's award-winning journalism via WSJ.com and the app, as well as a wide variety of curated content, from podcasts and newsletters to career insights and personal finance advice.

In addition, students, faculty and staff members will receive exclusive benefits with WSJ+, a complimentary program that gives members access to virtual events and offers, such as invites to talks and a free ebook each month.

How to activate your complimentary Wall Street Journal membership:

Students, faculty and staff at Hampton University can activate their complimentary memberships by visiting [WSJ.com/HamptonU](https://www.wsj.com/HamptonU). Those who currently pay for an existing WSJ membership may call 1-800-JOURNAL and mention they are switching to their school-sponsored membership. Partial refunds will be made.

Why The Wall Street Journal is right for Hampton University students:

The Wall Street Journal offers students unrivaled coverage of business, finance, politics and world news, including focused insight into career development, technology, health, arts and culture.
