

HUNews ALERT TO STUDENTS AND FAMILY

Greetings Pirate Family!

We trust that you are having a relaxing and productive summer. The University is currently preparing for your arrival later this month and we are excited for the upcoming academic year. We recognize that some students and parents are finalizing financial and registration actions necessary for the start of this new semester and apologize for challenges related to communicating with several key offices that provide assistance in these areas.

Please know that the University administrators, faculty, and staff are committed to ensuring that all efforts are made to support your safe and seamless return to campus. In the meantime, we appreciate your patience and understanding as we work to ensure a smooth start to the fall semester of 2025.

As a reminder, you must be financially and medically clear prior to your arrival to campus for the start of the semester. If you need assistance with the enrollment process, contact the individual(s) below for matters related to your specific needs. We will make every effort to respond to your inquiry within 48 hours.
