## **Your Voice Matters – 2025 Student Survey Invitation Coming Soon**

Dear Student:

On September 22, 2025, you will receive an invitation to complete the 2025 Student Survey. This is your opportunity to share honest feedback about your experience. We truly want to hear from you. To ensure your privacy, the survey will be administered by a third-party vendor, Iron Post Leadership, so your responses will remain completely anonymous.

Many changes have been implemented since the beginning of my presidency—enhancements to facilities, upgrades in technology, and improvements to our processes—and now we want to know what you think. Your insight will help us continue to improve the student experience for everyone.

The survey will take less than 15 minutes for most students to complete, and every response matters. My hope is to hear from every student, so please take a few moments to share your thoughts, reactions, and ideas.

Thank you for everything you do to make our community stronger. Your feedback is essential and appreciated.

Sincerely,

Darrell K. Williams  
President
