

## **PROGRAM IN FINANCE**

The **Finance Program** prepares students for careers in a global financial marketplace and for graduate study. Emphasis is placed on developing decision-making skills for finance-related careers.

The curriculum is structured to enable students to comprehend, analyze, and critically assess an entity's financial condition and optimize its market value. Additionally, the program introduces students to a wide range of career opportunities where financial knowledge is essential.

## **FINANCE MINOR REQUIREMENTS**

A minor in Finance requires **18 academic credit hours**, including:

- FIN 304
- FIN 309
- FIN 403
- Three approved FIN electives (as designated by the department chair)
