Tree House is a children's membership program that was developed to expand Friends of the Museum and enhance family visits. Geared toward children between the ages of 4 and 14, *Tree House* is rooted with a strong educational component that emphasizes the Museum's collection through workshops, specialized programming, events and the *Tree House* Newsletter. Our symbol, a tree engulfed in pattern, is based on the historical legacy associated with the Emancipation Oak that is located on the Hampton University campus. Like under the peaceful, out stretched branches where the first classes were taught, our mission is to "stimulate the mind by nourishing the heart with creative hands."

The Hampton University Museum

is located in the newly restored Huntington Building (the former library) on the grounds of the historic Hampton University campus. From Interstate 64, take exit 267/ Hampton University and follow the signs to the museum.
