Creator & Editor
Associate Curator & Director of
Membership and Community
Programs

For information about *Tree House* contact Crystal Johnson at crystalc.johnson@hamptonu.edu or at 757.727.5980.

Tree House is a children's membership program that was developed to expand Friends of the Museum and enhance family visits. Geared toward children between the ages of 4 and 14, *Tree House* is rooted with a strong educational component that emphasizes the Museum's collection through workshops, specialized programming, events and the *Tree House* Newsletter. Our symbol, a tree engulfed in pattern, is based on the historical legacy associated with the Emancipation Oak that is located on the Hampton University campus. Like under the peaceful, out stretched branches where the first classes were taught, our mission is to "stimulate the mind by nourishing the heart with creative hands."

The Hampton University Museum

is located in the newly restored Huntington Building (the former library) on the grounds of the historic Hampton University campus. From Interstate 64, take exit 267/ Hampton University and follow the signs to the museum.

Museum Hours

MUSEUM HAMPTON UNIVERSITY
Monday–Friday
8 a.m. to 5 p.m.
Saturday
12 noon to 4 p.m.
Closed on Sundays
and major holidays.
Admission is free.

Creativity Corner

Art by Kenlontae Turner & Lesson by Crystal Johnson

Zentangle

Objectives

- (1) Produce a work of art that uses the elements and principles of design, while employing math concepts.
- (2) Use Art + STEAM vocabulary to describe your work of art.

You will need

- Tape
- Scissors
- Various colors of permanent markers
- Aluminum foil
- Poster board or cardstock paper
- Yarn

Create It

- (1) Cut slits around all four corners of the poster board.
- (2) Tie a double knot into the yarn and tape it to the back of the poster board.
- (3) Wrap the yarn back and forth throughout the slits in the poster board and tape the end of the yarn to the back of the board.
- (4) Cover the poster board with the aluminum foil and tape it down to the back of the board.
- (5) Gently rub the yarn covered areas.
- (6) Color and design your contained spaces.
