Equestrian Summer Camp 2023

Reading Interest Development & Enhancing Riding Skills is a summer day camp at Hampton University's Stables. Participants will enjoy riding our friendly, trained horses and learning more about them through reading and activities. Campers will learn all about horses, riding equipment and equestrian terminology. Campers begin each session with an hour of reading, crafts, songs and activities. Campers then "saddle up" and develop riding skills through experiential learning processes.
