Apply for Graduation: Masters in Business Administration		MBA earned with 37 MBA Graduate credit hours. TOTAL = 157 Credit Hrs.	

1. Strongly recommend that students attend Pre-College or Summer School for at least 3 academic credits or more of pre-approved courses.
2. Department Academic Advising is Critical. Students who plan to sit for the CPA Exam should take some of the following courses as their business or free electives to be sure that they have enough accounting courses to sit for the exam: MBA 514 Governmental Accounting; MBA 515 Accounting Information Systems; ACC 419 Federal Tax Fundamentals; ACC 415 Cost Accounting; ACC Advanced Accounting I; ACC 418 Advanced Accounting II and MGT 414 Business Ethics. There are at least 54 jurisdictions that offer the CPA Exam. Each state has its own rules and/or policies. Students are advised to check the law in the state in which they are planning to sit for the exam.
3. Students must take second course in the same foreign language or can substitute an approved computer programming language.
4. Can be substituted with Coding ---CSC
5. Can be selected from Astronomy, Climate or other Physical Science courses.
