PROMISSORY NOTE**

Ms. Mrs. Mr. PRINT STUDENT'S NAME DATE OF BIRTH

Hampton University Student ID Number

I, _____

hereby request permission to use the Special Deferred Payment Plan to pay the total cost of tuition for the student listed above for the 2023-24 school year. In accordance with the Special Deferred Payment Plan, I hereby promise to pay Hampton University, hereinafter called the "University", the full amount due in accordance with the schedule of payments set forth below. I understand that I may prepay all or any part of the tuition balance at any time.

I also agree to the following terms and conditions: The University shall have the right to charge a late fee of \$10.00* on any payment received after the date on which the payment is due in accordance with the schedule of payments set forth below. The University shall have the right to deny any student who becomes delinquent under the Special Deferred Payment Plan (1) the right to attend classes during the period of delinquency, (2) room and board and (3) any further benefits that may be delivered as a student at the University.

In the event of delinquency, the University shall have the right to withhold academic records, including transcripts and diplomas and may refuse to accept registration for future terms during any period of delinquency under the Special Deferred Payment Plan. The University shall have the right to terminate this agreement and to declare the entire balance due and payable at once in the event any scheduled payment remains past due. The University shall have the right to employ a collection agency and/or any other legal means to collect this debt and charge me all collection costs, attorney fees, interest and/or penalties (if applicable) incurred in the event of a default. The University shall have the right, in the event of a default, to disclose the student's default and other relevant information to the credit bureau organizations.

The University shall have the right to withhold any refunds or other monetary credits, which may come due to me during the life of this agreement and apply, said credits to the unpaid balance of this obligation to reduce the student's indebtedness. Any credits so applied shall not reduce my obligation to remit the regular scheduled payments when due until such time as the balance is paid in full.

I agree immediately to notify the Business Office upon voluntary withdrawing from the University. I further understand that voluntary or involuntary withdrawal from the University will not cancel fees and charges already incurred. I understand that payment under the Special Deferred Payment Plan must be made by cash, money order, cashier's check, certified check, MasterCard, Visa, American Express, Discover, or On-Line. Personal checks will not be accepted. I understand that the University does not apply Financial Aid funds towards the initial tuition payment (July 10 and December 1). I further understand that the non-refundable fee for using this plan is \$50.00 per year (which will not be prorated) and will not be deducted from the total University cost.

I understand that this promissory note will not be accepted unless the initial payment plus the \$50.00 SDPP fee is enclosed. Please retain yellow copy for your records.
