Hello, Welcome to Hampton University's Blackboard Support!

Hampton University is proud to use Blackboard Learn 9.1 as its e-learning system. Blackboard Learn 9.1 is designed to enhance your classroom and campus experience. Blackboard Learn technology helps to make learning more effective in and beyond the traditional walls. Breathing life into educational content. Bringing efficiency to day-to-day tasks. Empowering instructors with tools to engage every learner. Motivating them on the devices they rely on. Promoting collaboration and streamlining processes.

Having Blackboard Learn issues? Send us a message.

If you need assistance with Pirate Power or Blackboard TransACT, please Email PortalAdmin.

ADAPTIVE RELEASE RULES

- Using adaptive release, one can create rules to control how content is released to students in their courses. The rules may be related to availability:
 - date and time,
 - individual usernames,
 - review status of another item in the course, and
 - Grade Center items such as scores, attempts, and calculated columns.

RETENTION CENTER ALERTS

- The Retention Center helps identify which students in a course are at risk or excelling. One can communicate with struggling or excelling students and help them take immediate action for improvement or encourage them to keep up their excellent work.
- The colored bar preceding the table displays a summary of the at-risk students in a course, in the following four categories:
 - Missed Deadlines
 - Grades
 - Course Activity
 - Course Access
