## Quick Facts

### What We Are

Since the 1990s, the Lifelong Learning Institute, sponsored by the Osher Foundation, has created accessible and innovative learning environments with a special focus on participants 50 years of age and over. Learners from all backgrounds and educational levels enjoy the benefits of continuing their education through OLLI membership.

Choosing from a diverse collection of courses, learners can create their own personal development program, expand their views of the world and enrich their lives and communities. In addition to the HU, Virginia location there are 125 Osher Lifelong Learning Institutes (OLLIs) spanning all 50 states and the District of Columbia. Each is an independently operated lifelong learning initiative of its host college or university and is supported in part by The Bernard Osher Foundation.

### Who We Are

The Osher Lifelong Learning Institute (OLLI), Hampton University (HU) is a membership-driven organization offering non-credit courses to mature adult learners 50 and older. OLLI's affordable adult education courses cater to lifelong students who want to improve their skills, explore new ideas, and interact with interesting peers in their community.

# Guidelines

## Membership & Registration

Membership in OLLI at HU provides an opportunity for social interaction, new friendships, and collegiality. Activities are planned and operated by members. As a democratic membership organization, OLLI at HU depends on the volunteer services of its members. Volunteering brings involvement in the Institute in meaningful, satisfying ways.

## Registration

Basic Membership dues are \$50. Members may enroll in up to 3 classes per term for a registration fee of \$50. Total fee for both options is \$100.

## Guest

OLLI classes and activities are intended for OLLI members. Visitors must present a vaccination card. A member's guest from out of town may attend a class or an activity as long as attendance is not limited. Local residents who are interested in joining are limited to one guest visit per year. The office must be informed prior to any guest attending. Guest name badges are available in the main office, and name badges must be worn by guests to all classes and activities. Please pre-register guests and check-in with the office upon arrival.

## Accessibility & Accommodations

We are committed to ensuring that courses and events are equally accessible to people with disabilities. If you require an accommodation for effective communication (ASL interpreting/CART captioning, alternative media formats, etc.) or information about mobility access features in order to fully participate in our courses and events, please let us know with as much advance notice as possible and at least 7-10 days in advance of the event.

## Inclement Weather

OLLI follows Hampton University's weather policy. If Hampton University has a delayed opening, OLLI's Morning classes are cancelled and the afternoon classes will be held case by case. If Hampton University is closed, OLLI also is closed for the day and all classes are cancelled. OLLI at Hampton University will post a notification of any delay or closure on the website and social media pages.

## Location of Classes and Parking

Classes are held in the W.O. Lawton Building as well as on Hampton University's Main Campus. To park in the W.O. Lawton building lot or on main campus you must receive a current parking pass.

## Covid-19 Safety Guidelines

All members and visitors attending in-person OLLI classes or activities held on or off-campus are required to be fully vaccinated, show proof of their COVID-19 vaccination cards. Mask are optional.

# GIVING

**Please consider making a tax-deductible gift to OLLI. OLLI at Hampton University depends on the generosity of donors like you to help support our educational programs and continue to serve the Hampton Roads Area. Your gifts directly impact the strength and sustainability of OLLI at Hampton University today and on the road ahead.**

**To donate by check payable to: "Hampton University Fund/OLLI".**

## **Consider an Annual Gift.**

To the Osher Lifelong Learning Institute which keeps the good works of the program thriving each year.

## **Planning Your Estate?**

Want to help the Osher Lifelong Learning Institute? Consider leaving a gift in your will or bequest, gifting through a charitable trust, a gift annuity, life insurance, pension plan, IRA, or through real estate. There is a wide range of gifting vehicles, which can provide you income for a lifetime along with valuable tax savings.

## **Consider An Endowed Fund.**

An endowed gift is one that lasts a lifetime. Creating an endowment in your name (or a loved one's name) is similar to placing funds in a savings account and providing the Institute with the interest from your gift. Your investment (or principal) is never expended, but the income from the gift is used to assure a lifetime of support for the program.

**Many thanks to those who have contributed to these funds during this past year!  
Your continued support is very much appreciated.**

## **Workshops**

---

### **Chef Larry Canepa | If You Can't Stand The Heat | 10:00 am - 11:00 am | 9/21 | Virtual**

Summer is hot...really HOT, but you still need to feed your family. Fortunately, there's good news: Summer cooking can be cool and easy with a little creativity and planning. Enjoy cooking during the long, hot summer with alternative cooking techniques that don't require an oven or hot kitchen. We'll explore quick BBQ ideas, poaching, stir fry, braising, steaming and cold meal delights. Come learn about quick delicious meals without having to sacrifice flavor and sanity. And you won't even have to turn your oven on.

### **Chef Larry Canepa | Mood Foods | 10:00 am - 11:00 am | 9/28 | Virtual**

Feeling blue ? or red ? or yellow ? Or green ? We'll explore the many foods that affect our moods. From guilty pleasure foods to comfort foods, some foods are better for certain moods than others. Food has a profound impact on every sense- sight, smell, taste, texture and even sound; come in for a health and wellness check-up and find out how foods can elevate our mood.

### **Chef Larry | Food Superstitions | 10:00 am - 11:00 am | 10/5 | Virtual**

Magic happens in the kitchen. And when people spend time cooking meals day after day, there were bound to be superstitious habits that developed over the years. Every culture in the world has food superstitions. These often arose from a misunderstanding of the natural world while also serving a practical purpose.

We've all heard how it's bad luck to spill salt or how garlic keeps vampires away, but let's look into some other bizarre food superstitions out there.

After centuries of practice, these food-related tales of yore were carried down from generation to generation. And like all superstitions, they changed over time and eventually became part of kitchen folklore. These food superstitions from around the world—about bad luck, particularly—will surprise, delight and change the way you think about some of your favorite foods.

### **Travel Do's and Don'ts | Instructor: Ms. Alisha Foster | 10:00 am - 11:00 am | 9/22**

During this workshop you will learn fun little tips that can help you prepare for traveling nationally and internationally. Join us as we dive into fun packing hacks, and travel tips that can help you save space in your luggage and coins in your pockets.

### **Holistic Wellness Discussion Group | Senior Planet by AARP | 10:00 am - 11:00 am Tuesdays | Virtual**

Join us for a weekly discussion about various holistic wellness practices! A different topic will be covered each week. Come ready to share what you know about holistic wellness and how it has affected your health.

Please note that this is not a lecture. These discussion groups are designed to be collaborative and help us learn from each other!

### **Smart House | Instructor: Ms. Kelsey Callahan | 10:00 am - 11:00 am | 10/2**

Want to learn about how you can turn your house into a smart house or even save money on things like security and electricity. Then join this instructor as she speaks on the wonders of how to turn your house into a smart well oiled machine.

**You may also register for classes online: [home.hamptonu.edu/osher/](https://home.hamptonu.edu/osher/)**

**\*Please register by August 25, 2023 for a new season of learning and discovery with a chance to meet and interact with new people or see old friends.**

**As of 2023-24 academic year, all Osher credits will expire at the end of the academic calendar year (September - June).**
